

RING SIZING PRINTOUT

Before proceeding, use a ruler to confirm the printed paper size

MEASURE A CURRENT RING

1. Choose a ring that correctly fits the finger you are purchasing the ring for. In the united states the engagement ring and wedding band are most commonly worn on the "ring finger" of the left hand.
2. Lay the ring over each of the size circles below, until you are able to closely match the inside edge of the ring to one of the circles on the guide.
3. If the ring falls between two of the sizes, order the quarter size in the middle.
